Introduction

Where an award is credit-rated, the award has a total credit value. The total credit value includes the minimum amount of credit that is required at the academic level of the award and the maximum amount of credit permissible at the lowest academic level.

In the tables below, the parent code identifies the level of study, the RQF Level of the final award, and the number of stages.

Code	Level of study
F	Foundation
U	Undergraduate
UA	Undergraduate Apprenticeship
UT	Undergraduate Transnational Education
T	Postgraduate Taught
TA	Postgraduate Taught Apprenticeship
TT	Postgraduate Transnational Education
R	Credit-Rated Postgraduate Research
N	Non-Credit-Rated Postgraduate Research
H	Higher Doctorate

Code	Level of study
3	Foundation Certificate (FDCert)
4	Certificate of Higher Education (CertHE)
5	Diploma of Higher Education (DipHE)/Foundation Degree (FD)
6	Degree with Honours, Ordinary Degree
7	Master's Degree, Integrated Master's Degree
8	Doctorate

Thus, the parent code F31 identifies the award as Foundation, at Level 3 comprising a single stage; the parent code U63 identifies the award as Undergraduate at Level 6 comprising three stages.

⁴⁶ The Bachelor's (Honours) Stages 2 and 4 weighted 1:2 awards are used solely as an exit award from 4-year 2:1:4-weighted programmes where students are exiting with an award where Stage 3 isn't included in the calculation as a result of failure.

⁴⁷ The Bachelor of Science (Honours) with Year out at UoE at Stage 3 (Stages 2 and 4 weighted 1:2) award is used solely as an exit award in those programmes where Stage 3 comprises 120 credits taken at the University of Exeter. Currently, the only programme in this category is the BSc Psychology with Data Science (programme code to be determined). The student must have taken 480 credits in total but the 120 credits at Stage 3 are explicitly excluded from the award calculation as a result of failure of Stage 3.
